

# Kiss off Kiss

Erin McKeown

This is a kiss off  
K-k-k-kiss off, kiss  
A little bit of sour with your sweetness  
This is a kiss off  
K-k-k-kiss off, kiss

Was it hello or a hell of a goodbye?  
It looks the same to the outside eye  
That night on the corner, waiting on the red light  
Who kissed who first? don't who or why

This is a kiss off  
K-k-k-kiss off, kiss  
A little ray of sun in with your secrets  
This is a kiss off  
K-k-k-kiss off, kiss

Was it the bliss of your sexual technique  
Or just your fist landing on my cheek?  
I wanna give you the finger or give you a finger  
I'm doubled up in the double speak

This is a kiss off  
K-k-k-kiss off, kiss  
A little dot of danger with your genius  
A little gray area's my weakness  
K-k-k-kiss off, kiss

Kissy kissy piss off  
Kiss my ass and kick-off  
Steal a kiss, won't kiss and tell  
Kiss of death, k-k-kismet  
Kiss the ring and then make up  
What kind of kiss kiss I can't tell  
Air kiss, air kiss  
Betrayed by a quick kiss  
She's such a good kisser  
Got me right in the kisser  
Can you tell I still wanna kiss her?

I'm in the doorway  
Heart hanging on my sleeve  
I'm gonna run before you kiss off me

This is a kiss off  
K-k-k-kiss off, kiss  
They only look like angels with some demons  
You wanna kiss off  
K-k-k-kiss off, kiss  
I won't lie to you, you know me and I need this  
A little gray area's my weakness  
K-k-k-kiss off, kiss  
You know you want a kiss off  
Come here and get a kiss off, kiss  
You love a kiss off  
Give me a kiss off, kiss  
A little kiss off
