

## Bring Your Heart Home

**Ernest Tubb**

Bring your heart home quit your wandering don't you get tired o  
f living alone

I'll be waiting if you ever change your mind and bring your hea  
rt home

Bring your heart home break the change loose restless chains on  
your shackled mind

I still loove you and you're welcome love still lives here brin  
g your heart home

Bring your heart home...

Love still lives here bring your heart home
