

Destination Atlanta G.A.

Ernest Tubb

One more day and I'll draw my pay
I'm gonna take myself and leave here
And I can hardly wait until I'm on my way
I'll tell the man at the station
I want a one way reservation
And make my destination Atlanta, Ga

Well I've been gone, away to long
The home sick blues got to me
But I just have to sweat it out for one more day
I'll draw the pay I got coming
Hit the station an running
Get ready for all the fun in Atlanta, Ga

I'm gonna pick me a peach on Peach Tree street
One that'll knock me off my feet
And we're gonna make a lot of tracks in that Georgia clay
I'll call down to the station, for ticket Information
Confirm my reservation for Atlanta, Ga
