

# Help Me Make It Through The Night

Ernest Tubb

Take the ribbon from your hair  
Shake it loose and let it fall  
Lay it soft upon my skin  
Like the shadows on the wall

Come and lay down by my side  
Till the early morning light  
All I'm taking is your time  
Help me make it through the night

I don't care who's right or wrong  
I don't try to understand  
Let that devil take tomorrow  
Lord, tonight I need a friend

Yesterday is dead and gone  
And tomorrow's out of sight  
And it's sad to be alone  
Help me make it through the night

I don't care who's right or wrong  
I don't try to understand  
Let that devil take tomorrow  
Lord, tonight I need a friend

Yesterday is dead and gone  
And tomorrow's out of sight  
And it's sad to be alone  
Help me make it through the night

Lord, it's sad to be alone  
Just help me make it through the night
