

## I Almost Lost My Mind

Ernest Tubb

When I lost my baby, I almost lost my mind  
When I lost my baby, I almost lost my mind  
My head is in a spin since she left me behind  
I pass a million people, but can't tell who I meet  
Lord, I pass a million people, but just can't tell who I meet  
'Cause my eyes are full of tears, where can my baby be?

I went to the gypsy and had my fortune read  
I went to see the gypsy and had my fortune read  
I hung my head in sorrow when she said what she said  
Well, I can tell all you people the news was not so good  
Well, I can tell you people that the news was not so good  
She said, "Your baby has quit you and this time, she's gone for good"  
She said, "Your baby's done quit you and this time, she's gone for good"
