

It Makes No Difference Now

Ernest Tubb

Makes no difference now what kind of life fate hands me
I'll get along without you now, that's plain to see
I don't care what happens next, 'cause I'll get by somehow
I don't worry 'cause it makes no difference now

It was just a year ago when I first met you
I learned to love you and I thought you'd love me, too
But now that's all in the past and I'll forget somehow
I don't worry 'cause it makes no difference now

Now that we have really parted, I can't believe we're through
I don't blame myself and I'm sure I can't blame you
There was something had to happen and it happened somehow
I don't worry 'cause it makes no difference now

After all is said and done I'll soon forget you
Although I know that it will be so hard to do
Let things happen as they will and I'll get by somehow
I don't worry 'cause it makes no difference now
