

Lots Of Luck

Ernest Tubb

My heart will break as I watch you go but your kind of love is
hard to hold
It seems you and I are losing touch so I'll wish you love and h
oney lots of luck
Well lots of luck and a big goodbye and you can't say I didn't
try
It well could be that I tried too much
And that's why you're leaving but honey lots of luck
Now you want love and a big gold mine well that combination is
hard to find
Cause money don't always walk with luck but you can go looking
and honey lots of luck
Well lots of luck and a big goodbye...
Well honey lots of luck
Go on and leave now and baby lots of luck
