

That's The Chance I'll Have To Take

Ernest Tubb

Troubles and a worried mind it seems that's all I've ever known
But now I'll leave that all behind if you'll just leave me alone

And if I go on loving you if to leave is a mistake
If I'm wrong in what I do that's the chance I'll have to take

Don't bother now to waste the time saying things you've said before

I've heard it all a hundred times but I won't listen anymore
And if I go on loving you...
