

# There's A Little Bit Of Everything In Texas

Ernest Tubb

There's a little bit of everything in Texas  
Just look around and you will see  
There's a little bit of everything in Texas  
And a whole lot of Texas in me

There are forty seven states around there  
And each of them have treasures of their own  
And everything they boast of I sure found it  
But we've got them all right here at home

Now if you love old sunny California  
Or perhaps the hills of Tennessee  
No matter what you love just come to Texas  
And I'll bet my boots you will agree

There's a little bit of everything in Texas  
And really I'm not bragging you see  
There's a little bit of everything in Texas  
And a whole lot of Texas in me

Now if you love old sunny California...
