Wine Me Up

Ernest Tubb

I'm the center of attention in this barroom Cause I've got the biggest heartache of the year And each night those swinging doors reach out for me and draw m e in Cause they know each night that I'll come back to wine me up ag ain Wine me up turn me on and watch me cry for you Lately drinking warm red wine is all I want to do And I never know how title I'll wine me up when I walk in But I don't care cause I'll be back to wine me up again I'd like to thank to men that raised the grapes way out in Cali fornia And I'm hoping this will be their biggest year Cause scarlet water's all that's left to keep me hanging on And that's why I'll try to wine me up each day and night next y ear Wine me up turn me on... But I don't care cause I'll be back to wine me up again
