

## All We Need

ERNEST

A little one bedroom on the south side  
It's a quarter mile walk to a bus ride  
Little malt liquor store with the bars up  
Mr. Rodgers never sung about this stuff, nah  
She works doubles at the IHOP  
And I've been flippin' riches at the car shop  
Makin' minimum wage  
But at the end of the day

We got all we need  
Just some empty pocket kisses  
Second hand-in-hand wrapped up in you, girl  
This is all we need  
Couple neon-lit slow-dancing silhouettes  
On a cracked paint wall  
Baby, we got all we need

Doo-doo-doo-doo-doo  
Doo-doo-doo, doo-doo-doo-doo

When Friday finally hits five o'clock  
We'll grab a couple Dixie cups and a wine box  
Get a little buzz going on and unwind some  
And if we need a little smoke, we can find some  
No, we ain't rich, but I know we ain't the worst off  
Get a little paycheck on the first stuff  
And if we burn it all by Monday  
'Cause we do what we always do, that's okay

'Cause we got all we need  
Just some empty pocket kisses  
Second hand-in-hand wrapped up in you, girl  
This is all we need  
Couple neon-lit slow-dancing silhouettes  
On a cracked paint wall  
Baby, we got all we need

We got all we need  
Just some empty pocket kisses  
Second hand-in-hand wrapped up in you, girl  
This is all we need  
Couple neon-lit slow-dancing silhouettes  
On a cracked paint wall  
Baby, we got all we need

Doo-doo-doo-doo-doo  
Doo-doo-doo, doo-doo-doo-doo  
Doo-doo-doo-doo-doo  
Doo-doo-doo, doo-doo-doo-doo
