

Brain On Love

ERNEST

If this is my brain on love
I like it, I like it, yeah
When they said it's dangerous
I tried it, I tried it, oh
Now I can't get enough
I'm lifted, so addicted, yeah
If this is my brain on love
I like it, I like it, ooh-ooh-ooh
Ooh-ooh-ooh

They tried to tell me it'd be bad for me
But I'm ignoring all the warning signs
You said it always ends a sad story
And you'll regret it in the morning time
Why they worried all about me
Tell me I should know better
You say it always ends a sad story
I don't know why they so bitter

Ooh, but when they tell me I can't, it means that I will
And I just want something I can feel
Yeah, they said it might kill me
But I took a taste to the face and I'm still me

If this is my brain on love
I like it, I like it, yeah
When they said it's dangerous
I tried it, I tried it, oh
And now I can't get enough
I'm lifted, so addicted, yeah
If this is my brain on love
I like it, I like it, ooh-ooh-ooh
Ooh-ooh-ooh, yeah

I love chasing this insane high (It's crazy)
And I ain't ever gonna run out
And lately, every day's a great time
And I ain't even had to leave my house
See, I was born into a broken home
So heartbreak ain't a stranger
Don't blame me if I don't wanna go alone
I think I found me a saviour

Ooh, and when they tell me I can't, it means that I will
And I just want something I can feel
Yeah, they said it might kill me
But I took a look in the mirror and I'm still me

If this is my brain on love
I like it, I like it, yeah
When they said it's dangerous
I tried it, I tried it, oh
And now I can't get enough
I'm lifted, so addicted, yeah
If this is my brain on love
I like it, I like it, ooh-ooh-ooh
Ooh-ooh-ooh

(This is my brain on love)
(I like it, I like it, yeah, yeah)
