

## Flower Shops

ERNEST

It's a beautiful day she's been crying all night  
Oh, there's tears in her blue and bloodshot in mine  
This bender's been bending, it's hellbound to break  
My baby's had all she can take

Mister, I'll take your roses  
If you cut off the thorns, she can't take no more  
I'll buy violets and daisies to hide all the crazy, it's gonna  
take all you've got  
Oh, it's a bad day for love but a good day for flower shops

Well, I took some pills and she took the dogs  
Oh, it's all gone to hell she's gone to her mom's  
And I took up drinking since she took the time  
To tell me I took the best years of her life

So, buddy, I'll take your roses  
If you cut off the thorns, she can't take no more  
I'll buy violets and daisies to hide all the crazy, it's gonna  
take all you've got  
It's a tough day for love but a good day for flower shops

Roses are red  
Violets are blue  
I don't need one, I need one million to...  
Get you

So mister, I'll take all your roses  
If you cut off the thorns, she can't take no more  
I'll buy violets and daisies to get back my baby, it's gonna ta  
ke all you got  
Oh, it's a bad day for love but a good day for flower shops
