

# Slow Dancing In A Burning Room

ERNEST

It's not a silly little moment  
It's not the storm before the calm  
This is the deep and dying breath of  
This love that we've been working on  
Can't seem to hold you like I want to  
So I can feel you in my arms  
Nobody's going to come and save you  
We pulled too many false alarms

And we're going down  
And you can see it, too  
Yeah, we're going down  
And you know that we're doomed  
My dear, we're slow dancing in a burning room

I was the one you always dreamed of  
You were the one I tried to draw  
How dare you say it's nothing to me?  
Baby, you're the only light I ever saw  
I'll make the most of all the sadness  
You'll be a bitch, because you can  
You try to hit me, just to hurt me  
So you leave me feeling dirty  
'Cause you can't understand

That we're going down  
And you can see it, too  
Yeah, we're going down  
And you know that we're doomed  
My dear, we're slow dancing in a burning room

Go cry about it, why don't you?  
Go cry about it, why don't you?  
Go cry about it, why don't you?

My dear, we're slow dancing in a burning room  
Burning room  
Burning room  
Burning room  
Burning room

Don't you think we ought to know by now?  
Don't you think we should have learned somehow?  
Don't you think we ought to know by now?  
Don't you think we should have learned somehow?  
Don't you think we ought to know by now?  
Don't you think we should have learned somehow?  
My dear, we're slow dancing in a burning room
