

# Daddy's Little Girl

Ernie Halter

I'll admit I was terrified  
Till the moment I saw your eyes  
I became a different man  
When I held your tiny hand in mine  
Those first words I heard you say  
I remember like yesterday  
Time is blowing in a breeze  
And you're growing up right in front of me  
Daddy's little girl  
Precious little angel  
Dancing in the living room and drawing on the table  
Wearing mamma's pearls,  
Putting on her make-up  
Even though, I know these moments won't last forever  
To me, you'll always be  
Daddy's little girl  
Someday, you'll be dressed in white  
Looking breathless with butterflies  
And though I have to let you go  
In my heart I hope you'll always stay,  
Please stay,  
Daddy's little girl  
Precious little angel  
Dancing in the living room and drawing on the table  
Wearing mamma's pearls  
Putting on her make-up  
Even though, I know these moments won't last forever  
To me, you'll always be  
Daddy's little girl  
Until then I'll cherish every kiss goodnight  
Every door you slam  
And every little fight  
I will be there with you even when I'm gone  
Just listen to this song  
As if nothing changed at all  
You're still daddy's little girl  
Precious little angel  
Dancing in the living room and drawing on the table  
Wearing mamma's pearls  
Putting on her make-up  
Even though, I know these moments won't last forever  
To me, you'll always be  
To me, you'll always be  
Daddy's little girl
