# Misty

**Erroll Garner**

Misty
Look at me, I'm as helpless as a kitten up a tree
And I feel like I'm clinging to a cloud, I can't understand
I get misty, just holding your hand
Walk my way, and a thousand violins begin to play
Or it might be the sound of your hello, that music I hear
I get misty, the moment you're near

*You can say that you're leading me on
But it's just what I want you to do
Don't you notice how hopelessly I'm lost
That's why I'm following you
On my own, would I wander through this wonderland alone
Never knowing my right foot from my left, my hat from my glove

I'm too misty, and too much in love
I'm too misty, and too much in love

*You can say that you're leading me on
But it's just what I want you to do
Don't you notice how hopelessly I'm lost
That's why I'm following you
On my own, would I wander through this wonderland alone
Never knowing my right foot from my left, my hat from my glove
I'm too misty, and too much in love
I'm too misty, and too much in love
