

Cry To Me

Eruption

Cry - cry - cry - crying
Cry - cry - cry - crying

When your baby leaves you all alone
And nobody calls you on the phone
Don't you feel like you're crying
Don't you feel like you're crying
Don't you feel like you're crying?
Hey come on
come on
cry to me.

When you're all alone in your lonely room
And there's nothing but the memories of him
Don't you feel like you're crying
Don't you feel like you're crying
Don't you feel like you're crying?
Hey come on
come on
cry to me.

Hey don't you feel like
Cry - cry - cry - crying
Hey don't you feel like
Cry - cry - cry - crying

When your baby leaves you all alone
And nobody calls you on the phone
Don't you feel like you're crying
Don't you feel like you're crying
Hey Don't you feel like you're crying?
Hey come on
come on
cry to me.

Hey don't you feel like
Cry - cry - cry - crying
Hey don't you feel like
Cry - cry - cry - crying

Ooh nothing can be sadder then
a glass of wine alone.
Loneliness oh lonelliness
is such a waste of time.
Oh yes, you don't ever
have to walk out alone
don't you see?
So come on and take my hand
Oh baby won't you walk with me?

When you're waiting for a voice to call
In the night where there is no one to take your hand

Don't you feel like you're crying
Don't you feel like you're crying
Hey Don't you feel like you're crying
Cry to me

Cry - cry - cry - cry
