

# Back in the Day

Erykah Badu

Yeah yeah  
Oh yeah, yeah yeah  
Yeah, yeah yeah  
Yeah, yeah yeah  
Back in the day now

Back in the day when things were cool, hey  
All we needed was bop-bop, bop-bop, bop-ba-domp  
Ooooh, bop-bop, bop-bop, bop-ba-domp  
Well well well

Soulflower take me flying with you, hey  
Gimme dat bop-bop, bop-bop, bop-ba-domp  
Gimme some of dat bop-bop, bop-bop, bop-ba-domp  
Well well well

Back in the day when things were cool  
We used to meet up with these dudes  
Then we'd roll out on hopes and truths  
And would ride around the park till its after dark  
Pumpin the trunk with the windows rolled up, puff  
Well well well

(2x):  
Soulflower take me flying with you, hey  
Just gimme dat bop-bop, bop-bop, bop-ba-domp  
Gimme some of dat bop-bop, bop-bop, bop-ba-domp  
Well well well

Wailin and singin and jammin and talkin  
And pumpin the trunk with the windows rolled up, puff  
Well well well  
Da laughin and singin and jammin and talkin  
Pumpin the trunk with the windows rolled up, puff  
Well well well  
Laughin and singin and jammin and talkin  
And pumpin the trunk with the windows rolled up, puff  
And we would ride around the park till its after dark  
And when we get home hope the dogs don't bark, puff  
Well well well  
Laughin and singin and jammin and talkin  
And pumpin the trunk with the windows rolled up, puff  
Well well well  
And we would ride around the park till its after dark  
And when we get home hope the dogs don't bark, puff  
Well well well  
Laughin and singin and jammin and talkin  
And pumpin the trunk with the windows rolled up, puff  
Well well well  
And we would ride around the park till its after dark  
And when we get home hope the dogs don't bark
