Hello, hello, hey, hello, hello  
Hello, hello, hey, hello, hello  
Hello, hello, hey, hello, hello  
Hello, hello, hey, hello, hello  
Hello, hello, hey, hello, hello  
Hello, hello, hey, hello, hello  
Hello, hello, hey, hello, hello

Okay, challenge

Leave your phone unlocked and right side up  
Walk out the room without throwin' your bitch off balance  
It's either on or off, ain't no in between when it's valid  
I seem to wanna talk more and more 'bout what really matters  
I've seen my aura hop out my torso and hit her backwards  
Flip watchin' you skip down my corridor, fuck a ballad  
Don't need shit on the side no more, I should know, fuck a salad  
I often have awesome thoughts of tossin' this softer palate  
So when we fall any wall, any stall, any crawl, any pause  
Any scar, any tar, any dark will dissolve, kill them all  
Build-a-bear, build them all, build it where it won't fall  
Give it all, give it my all, yeah  
Don't wear any drawers, any bra, anymore, in it raw, isn't it raw?  
I'm in awe, I'm involved, common law, cummin' on stomach wall  
Kermit frog jump off London fog  
Bridges in the midst of callgirls my woman calls  
Unicorn, you my porn

I don't know  
I don't know  
I don't know, I don't know, I don't know  
I don't know  
Will this bitch click over for me?  
I mean will this woman click over for me?  
Over for me? Over for me?  
Is it over for me? Over for me? Over for me?  
I don't know  
I don't know  
I don't know, I don't know, I don't know  
I don't know  
Is this bitch gettin' over on me?  
If I go down will she go down with me?  
Should I, I not be so open, I mean?  
Open, I mean? You know what I mean?  
Know what I mean?  
I don't know  
I don't know I don't know, I don't know, I don't know  
I don't know, I don't know, I don't know, I don't know (I don't know)  
Will this bitch click over for me?  
I mean will this woman click over for me?  
Over for me? Over for me?  
Is it over for me? Over for me? Over for me?  
I don't know  
I don't know, I don't know  
I don't know, I don't know, I don't know  
I don't know  
Is this bitch gettin' over on me?  
If I go down will she go down with me?

Should I, I not be so open, I mean?  
Open, I mean? You know what I mean?  
Know what I mean?

Hello, it's me, it's me, baby  
I thought about us for a long, long time  
Maybe I think too much but something's wrong  
Something that said it doesn't last too long, too long  
Maybe I shouldn't think of you as mine, mine, mine, mine, mine  
But I can't help it, baby

See you, see you  
I see it that you want, as much as I do you  
I take for granted, that you're always there  
I take for granted, that you just don't care  
And sometimes  
It's just too hard to see it through, babe  
And that's why
