

# Turn Me Away (Get MuNNY)

Erykah Badu

Get Munny  
Get Munny  
Get Munny  
Get Munny

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always want to stay

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always want to stay

Can't lie to you, honey  
I just want your money  
Hi, I'm sunny, bunny  
Don't run from me trying to

Get away  
Just stay, okay  
'Cause, Munny, I want you back  
La, la, la, la

I look like a model  
I'll do what I gotta  
To stay in the running  
'Cause I want your money

Give me some  
I'll be the one backstage  
'Cause, Munny, I want you back  
La, la, la, la

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always want to stay

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always want to stay

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always want to stay

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always, always want to stay

I'll wait on your doorstep  
'Til you let me come in

Hey, I'll be your best friend  
Say, Munny, can you come

Out and play  
I'll stay or I'll come back  
'Cause, Munny, I want you back  
La, la, la, la

Fresher than the others  
I'll cook like your mother  
I, I'll bring the honey  
You just bring the money

Fingers crossed  
Behind my back  
'Cause, Munny, I want you back  
La, la, la, la

Can't turn me away  
I believe in your heart  
I'll always want to stay

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always want to stay

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always want to stay

Can't turn me away  
(Get Munny)  
I believe in your heart  
I'll always, always want to stay

Jewels, clothes and stereo  
Electric particles  
Down to the minimal  
Tickle, tickle, before stroke

I love your solid golds  
I love your pearly ball  
You know that I am still  
Just how you want to feel

Dropped your mind  
Scooped it up  
Put it in my sock

I'll be your robot girl  
Come into me, my world  
It's too late

Oowhee, boy, let me drive your car  
I have a credit card, hey  
'Cause, Munny, I want you back  
La, la, la, la

Can't turn me away  
I believe in your heart  
I'll always want to stay

Can't turn me away  
(Get Munny, get Munny)  
I believe in your heart  
I'll always, always want to stay

Can't turn me away  
(Get Munny, get Munny)  
I believe in your heart  
(Get Munny, get Munny)  
I'll always want to stay

Can't turn me away  
(Get Munny, get Munny)  
I believe in your heart  
(Get Munny, get Munny)  
I'll always, always want to stay
