

## What's Yo Phone Number / Telephone

Erykah Badu

Baby, what's your phone number?  
I'm crazy, call me Willy Wonka  
Lately you make me really wonder  
If you really wanna  
Know I'm kinda fast but spend the night  
Baby, what's your phone number?  
Stay at your scene, really want you just  
I see no cookie monster  
(Know I'm) kinda fast but spend the night

What's your phone number?  
Girl, I call you  
I can be the one you give your all to  
Know I hate to fall when someone falls through  
Baby fall through  
You're different, fuck what they all do  
Tryna get to know you, wanna love you  
But you ain't been introduced to  
Ain't tryna hurt or confuse you  
Maybe amuse you  
Baby, we could do the usual  
I think I could use you  
I think I could put you in a place and never lose you  
We the freaks nigga, we could try to voodoo  
You been trying to solve the puzzle, you ain't even got a clue  
to  
I hate the things that you do  
You hate the fact that I moved  
I'm somewhere with someone new  
We talked about a lot but you ain't listen  
Man, I'm at the living room of Erykah Badu house  
Sipping on some tea, man Zack is the Witness  
This is how it goes when you gifted  
This is how it goes when you get it  
Man, I got some goals for these bitches  
Yeah, I keep it [?]  
This is Texas, where the girls looking vicious  
And I know I'm kind of fast but maybe spend the night  
If you with it, what's up?

What's your phone number?  
Tell me what's your phone number girl  
What's your phone number?  
What's your phone number?  
What's your phone number, girl?
