

# I Will Make It Up To You

## Escape the Fate

For all the times I let you down and all the times you've cried  
When I'm walking out the door and you keep asking why  
You know, you know, you know I won't be there  
Believe me when I tell you that we have no other way  
I beg and plead, believe me when you hear me say

I'm sorry for the time we'll lose  
I'm sorry, I mean it this time  
I know it's tough but we will make it through  
Believe me, I will make it up to you

There'll be days when you get lonely and nights that you get scared  
You'll look for me to hold you to show you that I care  
You know, you know, you know I won't be there  
Believe me when I tell you that we have no other way  
I beg and plead, believe me when you hear me say

I'm sorry for the time we'll lose  
I'm sorry, I mean it this time  
I know it's tough but we will make it through  
Believe me, I will make it up to you

I will always let you down  
There's so much we'll never do  
But I swear that I'm...  
I swear that I'm doing it all for you

I'm sorry for the time we'll lose  
I'm sorry, I mean it this time  
I know it's tough but we will make it through  
Believe me, I will make it up to you

I'm sorry for the time we'll lose  
I'm sorry, I mean it this time  
I know it's tough but we will make it through  
Believe me, I will make it up to you
