

The Furthest With the Least

Escape With Romeo

I see you climb the highest mountains
and you may reach the stars
Mankind was always busy
faster planes and faster cars
barefoot through these splinters
naked through hell
you won't believe what I've been through
but I'm doing well

You may believe in your fortune
but you fear the beast
Let me do what I want to do
I go the furthest
the furthest with the least

I'm diving in the canyons
in the wrecks that you left there
finding inspiration in
what no one else would care
Far inside the desert
where power and glory ends
here I'll find my freedom
here I'll some friends

You may believe...
