

## 30 Gucci Purses

Esham

Ripped up thirty Gucci purses for the seats in the Vette  
In 88 I wore the mink velour track suit for the sweat  
East side west side never claiming a set  
I was aiming at threats, steady paying my debts  
In Detroit you gotta keep a Uzi in ya pelle  
On the East side off 7 M.I.L.E  
We was working off beepers before we had Cellys  
Doing doughnuts on 8 Mile & Kelly  
Ripped up thirty for the seat in the Vette  
Only brown I carry's money for the connect  
Not a satchel or a hassle when I come to collect  
Deadboy respect Rolex flooded baguettes  
Ripped up thirty Gucci purses, thirty Gucci purses  
Got this ideal from one of Blade Icewood verses  
Thirty-six ounces of dope is what the work is  
And I'm from Detroit, so you know I know what the worth is  
I ripped up thirty Gucci purses for the seats in the Vette  
17 hunnit block 6 Mile & Conant  
Catch me in a Z06 doing hella doughnuts  
And every time the bitches see me man I make 'em go nuts  
I ripped up 30 Gucci purses, I might switch to Birkins  
Go hard with the Goyards, niggas be perppin'  
Thirty Gucci purses, police illegal searches  
When copping some dope no receipt for proof of purchase  
Niggas be snitching in the street, it make me nervous  
Thirty Gucci bags ripped up that's what the word is  
Thirty Gucci bags half a brick for the murders  
Hit you with the 50, but my name ain't Curtis  
You should stay a vegan, no beefing like burgers  
Diamonds dropping out the sky 'cause Blade Icewood heard us  
Ripped up thirty Gucci purses for the seats in the Vette  
Took ya bitch and gave her back like she was a lost pet  
Yeah I spent a lot of cash and never had a regret  
But I ain't met a motherfuck that can do that yet
