

East coast, west coast, up north, down south  
East coast, west coast, up north, down south

East coast, west coast, up north, down south  
Niggas sell dope, how the police gon' find out?  
Fifty thousand dollar bail, how ya gon' bond out?  
Nigga went to Yale, not the school but the crime route  
CIA surveillance, but the FBI be lurkin'  
Niggas claim they workin' but they really out here purpin'  
You wanna move a half a brick, but you gotta be certain  
This nigga not the police, if he is, you know it's curtains

East coast, west coast, up north, down south  
East coast, west coast, up north, down south

You just caught a body 'cause your gun you had to spray  
Didn't know he was an undercover cop, a DEA  
Threw your name all in the mix like he was a DJ  
Now the word on the streets you was some he say she say  
Ain't no honor among thieves, niggas smoke you like some trees  
All that hatin' a disease, left your body in the leaves  
Freeze, get on your knees, that's what the police said  
Ten shots in yo back, violate your rights, now you know he dead  
I cap police, fuck the rap police  
The white police and the black police  
I'm a east coast west coast any cop killer  
I don't give a fuck about no pig, nigga

East coast, west coast, up north, down south  
East coast, west coast, up north, down south

We know who you are  
[?] It looks like possibly
