

BEPIS

Esham

Yeah, bitch
Yeah, bitch
Yeah, bitch
Chapter 17, Chapter 17
Let's go

Kill shit, break shit
Throw the set out the window when you lane switch
Stomp a hole in the face of the fake shit
Rip the head off the neck of that lame shit
Kill shit, break shit
Throw the set out the window when you lane switch
Stomp a hole in the face of the fake shit
Rip the head off the neck of that lame shit (let's go)

Ouija's on the creep, bitch, you aggrious
Peep this wicked thesis while I speak this
She just put her teethis on my bepis
Jesus, shawty thickness like a deep dish
What's this? This a shroom (ooh!) yeah I'ma eat this (yuh)
Insane in the brain, need a recess (gone)
That's what's stoppin' me from choppin' y'all to pieces (yuuh)
All your dogs, leave 'em hangin' from the leashes

Kill shit, break shit
Throw the set out the window when you lane switch
Stomp a hole in the face of the fake shit
Rip the head off the neck of that lame shit
Kill shit, break shit
Throw the set out the window when you lane switch
Stomp a hole in the face of the fake shit
Rip the head off the neck of that lame shit (Fuck that lame shit)

On for a fuckin' while, don't touch the fuckin' dial (nah)
No, ain't here snappin' like a crocodile
Yuh, park the whip then I walk it down
Glock cocked, one in the chamber, this percussion now
You don't want seventeen shots pop ringin' out
Pop, pop, now we got hot slop hangin' out (Gone)
Yuh, who this boy think he playin' now?
Holes in your face still smokin' while you layin' now

Kill shit, break shit
Throw the set out the window when you lane switch
Stomp a hole in the face of the fake shit
Rip the head off the neck of that lame shit
Kill shit, break shit
Throw the set out the window when you lane switch
Stomp a hole in the face of the fake shit
Rip the head off the neck of that lame shit (Bitch)
