

# Big Motion

Esham

I'm having motion, no emotion, I'm floating like the ocean  
Rappers out here too dry, they need lotion  
What's that in my cup, I'm mixing up the potion  
Levitating in my space coupe, I'm just floating  
Motion, moving, crush grooving  
Def Jam it like Russ and Rick Rubin  
Viewed in the street way before YouTubin'  
Only built for the links that's Cuban  
Slick Rick rulin' left your girl droolin'  
Don't wear jewelry, I drop a lot of jewels, man  
The Glock will make your body rock and make the party stop  
He was talking trash until they knocked him out his Adidas  
This happened to a lot of guys, it's too late to apologize  
Realize you're talking to a wise guy, recognize  
Full with motion, no backstroking  
Catch a snitch with his mouth open, gat smoked 'em

I ain't never been to jail, I don't wanna be a felon  
Always dope being sold, but I ain't the one sellin'  
I know it's niggas snitching, but I ain't the one tellin'  
It's all Reel Life so my pockets are still swellin'

I'm having motion, no emotion, change position and velocity  
Suckers try to take me out, but they not thinkin' logically  
My professor's KRS, I studied his philosophy  
I'm a super psychopath, and this is my psychology  
I break you down in seconds, minutes, you can't go the distance  
For all them wack rhymes I'm hearing, this is the resistance  
This is science not fiction, I spit it and it's physics  
Turning words into gold bars, alchemist chemist  
Minutes have emotion, dollars for promotion  
You don't have the notion, thuggin' with devotion  
Motion, moving, gotta stay groovin'  
Changing, keep banging, I'm dangerous  
Motion, momentum, love where it's good at  
Where your hood at, wish they understood that  
Motion, gas on, never gas off  
Dope since my last cough, 'bout to blast off

I ain't never been to jail, I don't wanna be a felon  
Always dope being sold, but I ain't the one sellin'  
I know it's niggas snitching, but I ain't the one tellin'  
It's all Reel Life so my pockets are still swellin'
