I hate it here! I hate it here!
I'm not down with Big Brother, no other he'll smother your mother
He really don't love ya, he fucked our future, motherfucker
He built your computer, he's worse than a high school shooter
I had my chance to kill him when I had him as my tutor
But I skipped school that day and got high, I hate it here!
You a fucking nerd, and my visions' kinda blurred
I'ma break into your house and kill you, when they fucking purge
On my word you getting served, stomp yo mouth on the curb
You get what you deserve, switching lanes then I swerve
Big Brother is watching me, clocking me while I'm rocking, G
It was said I'm out my mind, the police outside knocking B
Say hello to my little friend, you pigs can come on in
But not by the hairs on my chinny chin chin
They was huffing and puffing, tryna blow my house down
So I turned my volume up and all I heard was the sounds

Burn! Loot! Murder! Down with Big Brother!
Burn! Loot! Murder! Down with Big Brother!
Burn! Loot! Murder! Down with Big Brother!
Burn! Loot! Murder! Down with Big Brother!

I hate it here! I hate it here!
I got problems, convinced the government ain't got no sense
Got a price on my head, can't pay attention pay my rent
If it ain't non-essentials that liquor, weed can't keep me bent
Keep a mask on my face, carry a weapon ill intent
If you run up on me for my protection, I'll prevent
I hate it here! They late in here
Niggas going thru hell they waitin' here
Nothing to fear but the fear, I know you fear when I'm near
You interfere with the money watch yo ass disappear
All you sellouts, get the hell out!
They wear disguises; it's no surprises
They despise us then hit us with the viruses
I'm saying down with Big Brother! Down with Big Brother!
Down with Big Brother! Down with Big Brother!
Down with Big Brother! Down with Big Brother!
Down with Big Brother! Down with Big Brother!
Big Brother's watching you
