

CEO Killer

Esham

Next female rapper, grab the mic, I'ma slit her throat
My name's Esham, I sacrifice a goat
I write a rhyme, but it's just a suicide note
Don't quote me, boy, 'cause I ain't said shit for you to quote
You never too old for some killin' and shootin'
Bitch, I'm a villain like Vladimir Putin
And I'm feelin' like Luigi with a 3D printer
Get ghost, son, like the ghost gun inventor
I was hungry like the wolf, you was lookin' like dinner
I'm a CEO killer, Slug Magazine filler
If I spot the guy at Spotify, hit him with the TEC
If your name's Daniel Ekk, then you're bound to get wet

Wet, wet, wet, wet, wet
Wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em
Wet, wet, wet, wet, wet
Wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em
Wet, wet, wet, wet, wet
Wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em
Wet, wet, wet, wet, wet
Wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em u

It seems you'd be nervous if you ran a streaming service
Steady robbin' and stealin' while I'm rhymin' and killin'
I heard Donald Trump scream, "Drill, baby, drill"
But they tryin' to give Lil Durk life for drillin'
I might say something that'll hurt their feelings
Fifteen out here fuckin' so you can't rape the willin'
The whole world illin' while the Devil be grinnin'
In the club lookin' at you while you twerkin' ass sinnin'
Sorry not sorry, not invited to the party
I got 20/20 vision, and I don't wear Carti's
Got a better style, nigga, I'm a pedophile killer
Real fast, beat your ass like a drum machine J Dilla
You made fifty billion dollars and ain't make one song
That's the reason why you got smoke like a bong
I grew up on welfare, no healthcare
I hate a liar, and I hate a thief more than that, hell yeah

Wet, wet, wet, wet, wet
Wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em
Wet, wet, wet, wet, wet
Wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em
Wet, wet, wet, wet, wet
Wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em
Wet, wet, wet, wet, wet
Wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em up, wet 'em u
