He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground

I took my first hit, and man, that was it
I was addicted to all this wicked shit
The money came fast, they said I wouldn't fast
You rappers like strippers, your whole style ass
I'm not a role models, a lot of gold bottles
I quarter back for the Lions except I throw hollow
Don't make me call an audible
Quarter back sneak touch down, by now they all will know
I better baller no I'm a shock collar yo
Your hot daughter know my ice cold water flow
That sound crazy though, but don't taze me, bro
Detroit raised me, yo, I got a .44
Whatupdoe? If your money moving slow
Quickest way back on your feet is to get off your ass, ho
Whatupdoe? If your money moving slow
Quickest way back on your feet is to get off your ass, ho

He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
He shot me down, bang bang, I hit the ground
