White girls in white dresses with- white girls
White girls in white dresses with- white girls
White girls in white dresses with- white girls
White girls in white dresses with- white girls

White girls, white girls, yeah, I love white girls
That's my dog, though, and she like girls
If you ever saw, you would try to wife girl
The type of bitch you've been searching all your life for
You wanna live for, even die for
You can marry her, but she'll always be my whore
She addicted, I'm her first boyfriend
Another quaalude, and she'll love me again
White lies, white lines, sell 'em at the same time
Only time she call me nigga is when I'm doggy from behind
White house, white coupe, yeah I'm getting white loot
It's all white if you don't like me, nigga, I don't like you
Black man dead, do what the white man said
Niggas got that burnt toast, I got that white bread
I'm like a great white shark, I ain't never scared
Pink lemonade pussy popping like a white head

I fucks with white girls
Super model type white girls
Pop a bottle like a white girl
Girl you should really learn to swallow like a white girl

White girls select me, Becky never disrespect me
Skinny dipping butt naked baby telling me I'm sexy
Love to impress me especially when she undress me
Case closed, she got my whole face froze
Trip with, smoke a piff with, even sniff with
My white bitch, she in the kitchen cooking Bisquick
Write me a suicide note with no Wite-Out
She'll be standing in the dark with the light out
Flap my wings, fly out, niggas wanna try it out
I'm in love with an all-white dove
I'm not the bird man, but this a bird thing
She a dumb blonde, yeah, bird brain
Lindsay Lohan, Kate Upton
A ho Kelly Osbourne trying to function
Always into something, got the spot pumpin'
Beating up the block, got that white girl bumpin'
She that white sauce, Snow White the seven dwarfs
If you wanna ride, ride the white horse
Yeah I got that [?] and that Heidi Klum
Gisele Bündchen, Princess Diana

I fucks with white girls
Supermodel type white girls
[?] white girls
[?] white girls
Dedicated to my white girls
She got ass for a white girl
The new black is a white girl
What you know about a, what you know about a
White girl, white girl, white girl, white girl

White girl, white girl, white girl, white girl
White girl, white girl, white girl, white girl
White girl, white girl, white girl, white girl
White girl, white girl, white girl, white girl
