

# Dead Rappers

Esham

You don't wanna be a rapper 'cause it's dangerous  
And you just might see rapid fire spittin' bustin'  
You don't wanna be a rapper 'cause it's dangerous  
And you just might see rapid fire spittin' bustin'

You don't wanna be a rapper, nuh uh, take my advice  
Sign the Devil's contract, I can put you on ice  
And if you fall off, I can put you on twice  
But if it don't bounce back, that's your life  
Think it's all fun and games 'til the gun and flames  
Rather deal with the dollars than a motherfuckin' mane  
Get me paid and then rap  
'Cause all that other bullshit without money ain't jack  
It's easy to talk that shit without that grip  
Easy to hold that gun without that clip  
Walkin' on thin ice, you better not slip  
And if you don't go platinum, oh we gon' trip

You don't wanna be a rapper 'cause it's dangerous  
And you just might see rapid fire spittin' bustin'  
You don't wanna be a rapper 'cause it's dangerous  
And you just might see rapid fire spittin' bustin'

Yeah, I'm handin' out contracts, so when you gon' sign up?  
Fuck around and have me in a police lineup  
The DJ ain't spinnin' the shit? Let's kill him  
Rapper found dead, now everybody feel him  
Take a look at the bad guy, yeah I'm the villain  
Slugs went in him with the blood start spillin'  
Record sales through the roof rakin' in millions  
Dead body found in a vacant buildin'  
Hip hop journalists, yeah they lovin' this  
Word travels fast with that [?] publicist  
Double homicide, double platinum worldwide  
And all you had to do was go on a little murder ride

You don't wanna be a rapper 'cause it's dangerous  
And you just might see rapid fire spittin' bustin'  
You don't wanna be a rapper 'cause it's dangerous  
And you just might see rapid fire spittin' bustin'

You can be a doctor, a lawyer, construction worker  
But touch that mic, and somebody might murk ya  
Spit that rap, a killer might snap  
Get kidnapped [?]  
All that money, how you gon' pay it back  
Witness me strapped with macs no I wouldn't play that  
You wanna be a rapper? Don't be sayin' that  
'Cause I'll put the head out on you and take out a contract  
Contact contract, you want a contract  
Give Def Jam a new meaning if you respond back  
I'm a terrorist flowing on a bomb track  
And the acid rap I spit will flatline you flat

You don't wanna be a rapper 'cause it's dangerous  
And you just might see rapid fire spittin' bustin'  
You don't wanna be a rapper 'cause it's dangerous

And you just might see rapid fire spittin' bustin'

Damn, you ever wonder why it's so fucked up in Detroit?

I mean, really (Damn) (Niggas fuckin' it up)

Look around, go outside, take your cameras

Take a picture, tell me what you see (Niggas is uneducated)

We lead the nation in the lowest economy

Only second to New Orleans
