God money, I'll do anything for you
God money, just tell me what you want me to
God money, nail me up against the wall
God money, don't want everything, he wants it all
No, you

Money (Money) make the world go round
Make your girl go down
Money, money, money, money (God money)
Turnin' smiles to frowns
Kings fix your crowns
Money, money, money, money (God money)
When you have it make you world-renowned
Buyin' things that you can't pronounce
Money, money, money, money (God money)
Gotta have, it's what you think about
It's what you put up in your bank account
Money, money, big money (Money)
Big money to earn
Big money to spend, big money to burn
(God money) Big money on my mind, big money to win
I done did it before, I'ma do it again
(God money) Get money, me gusta dinero
My style is so fuego, man, don't get fumado
(God money) Me gusta bizcocho
She's spicy, you so-so
Got money, everything's jugoso
Mami, whammy, whoa, jugoso

God money, I'll do anything for you
God money, just tell me what you want me to
God money, nail me up against the wall
God money, don't want everything, he wants it all
No, you

(Money) Me gusta dinero no cap or sombrero
A macho muchacho, I rhyme like El Chapo
(God money) Pesos, gotta chase those, countin' faces
In my bank roll, pocket full of heroes
(God money) Money greenbacks, no tax
No refunds, just know that
(God money) Life ain't nothin' but ... and money
I'm a playboy, you a Playboy bunny
(Money) Got money, you can get it if you want it and flaunt it
The greatest, the latest, everything, you're on it
(God money) Don't cross that line, you can get it, dog gone it
'Cause my crib so big niggas think it was haunted
(God money) The money, I make the hate circulate
The more money you get, the more hate you accumulate
(God money) You got the money, it's the root of all evil
I guess I'm just here to remind y'all people
Money make enemies, money make friends
Money make 'em say they'll never do it again

God money, I'll do anything for you
God money, just tell me what you want me to
God money, nail me up against the wall

God money, don't want everything, he wants it all
No, you
