Do Sum'n

Esham

Do sum'n, do sum'n, do sum'n
Do sum'n, do sum'n, do sum'n
Do sum'n, do sum'n, do sum'n
Do sum'n, do sum'n, do sum'n

Do somethin', hell naw I ain't frontin'
I know it's 4th and goal, and I still ain't puntin'
Do somethin', y'all ain't talkin' about nothin'
I'ma throw it to my man, he wide open, he gon' run in
Do what you gotta do, do as the riders do
Do as the flyers do, we do it 'cause we do it
We in somethin' coupe-ish, high somethin' Snoop-ish
We do it 'cause we do it, it's how we do it
Do somethin', you don't like that change that
Top to top off my coupe, now where the brains at
Catch me somewhere in your city switching lanes at
Fresh off the runway, now where the plane's at
Do somethin', it's loud yellin' off the ground royal
That's how I was when they saw me at the performance
I was doin' somethin', we was doin' somethin'
It was all bubblin', they was doin' nothin'

Do sum'n, do sum'n, do sum'n
Do sum'n, do sum'n, do sum'n
Do sum'n, do sum'n, do sum'n
Do sum'n, do sum'n, do sum'n
