

Don't Drink and Drive

Esham

You hate me, I hate you, there's nothing left for us then
I love you, you love me, but this is only pretend
My money, I spent it, and now our time is all gone
She's tied up, the same thing, she tells me leave her alone
Whenever it's brought up, she said I'm drinkin' too much!
I'm thinkin', I thought of, I wasn't givin' a fuck!
You hate me, I hate you, is all that stuck in my mind
She tells me, this happens, when I drink every time

Kept drinkin', thinkin', man, I shouldn't be drinkin'
Man, I shouldn't be drinkin', man, I shouldn't be drinkin'
(When I drink every time)
Drinkin', thinkin', man, I shouldn't be drinkin'
Man, I shouldn't be drinkin', man, I shouldn't be drinkin'
(When I drink every time)
Drinkin', thinkin', man, I shouldn't be drinkin'
Man, I shouldn't be drinkin', man, I shouldn't be drinkin'
(When I drink every time)
Drinkin', thinkin', man, I shouldn't be drinkin'
When I drink every time!

Give me a bottle and a motherfuckin' cup
So me and my crew can get what? (I wouldn't do that)
Give me a bottle and a motherfuckin' cup
So me and my crew can get what? Fucked up
Give me a bottle and a motherfuckin' cup
So me and my crew can get what? (We wouldn't mind, no)
Give me a bottle and a motherfuckin' cup
So me and my crew can get what? (Look out, [?])
(What would you do?)

I'm drinkin' and thinkin', my head is gettin' dizzy
I look into a mirror, it look look back like, "Who is he?"
I don't know, I don't know, who the fuck are you?
I don't know, I don't know, I haven't got a clue
My name's Esham, I come from where it's burnt up
I got on sunglasses 'cause I'm turnt up
Known outlaw, I killed the dirty dozen
Slangin' on the web like I'm Spider-Man cousin
I shouldn't drink 'cause them I'm like, "Fuck that"
Niggas bust at me, you know I'm gonna bust back
Your girl ass fat, I'm gonna touch that
Whip out my dick, you know she gonna suck that
You got money? Well don't trust that
They don't love a lush, they just lust that
I'm spillin' drinks, where is plush at
I'm Deputy Dawg, and you muskrat
You a big pussy, a real tough cat
In Detroit is where you get snuffed at
No poker face, I don't bluff that
If that's laced with something, I won't puff that
I don't know, I don't know, just what happened last night
I'm drinkin', I'm sinkin', I think my girlfriend was right
I don't know, I don't know, just what happened last night
I'm drinkin', I'm sinkin', I think my girlfriend was right

Why you think we getting on this show at 1:30?

You're late tonight, you know, you were late
You come down here
Every time we have a show, you can't even get here on time
Now what happened tonight?
I was born down central, you understand?
What happened?
A chick pulled up in a Cadillac
So what did she say?
She said, "Get in, [?], get your [?]-lookin' behind in this car"
So what did you do?
Shit, I got in there, you understand?
So what happened?
She drove up in the hills, you understand?
Drove up in the hills?
Yeah
So what happened up there?
She took off all her clothes, everything but her panties
Everything but her panties, then what did she say?
She said, "[?], take what you want"
Told you to take what you want! What did you do, old buddy
I took that Cadillac
