Hitchya with the razor slitchya  
UnHoly, niggas need to stay up off my dick though  
Sick though, when I hitchya with the wicked rhyme  
Stickin' it in your mind, rewind the Flatline  
Unload, explode, here's the new episode  
Paranoia, can't do nuttin for ya  
Helter skelter, mind melter, if I feltchya  
If I die, I'm goin to Hell, who do ya tell?  
Run from the Devil, gotta shovel, gravedigga  
How you gonna kill a dead nigga, if you figure I'm dead?  
Here's the oops upside ya head  
Here's a hot piece a lead, an instead I walk the Flatline

If I'm on the Flatline's, it means I'm 'bout to lose my mind  
Death is the seventh sign, and I'm runnin' outta time, so check this  
I'm a suicidalist, that means I ain't afraid to die  
If I play the game of death, that means I play the game to die  
Russian roulette, hit my two and reenact the fooly  
Unruly, you'll see me lose my cool G  
Click, click, click, click, clickity, click, click  
Cock the hammer, and when it slams, God damn, (gunshot) bam

Well I walk the Flatlines and I'm 'bout to lose my grip  
Gotta gun in my hand, wrapped around my finger tips  
If I slip then I might catch a hole in my head  
Sceamin' out bloody redrum, for somethin I said um  
My minds goin Bedlam, flash backs of Rambo  
So much pressure, I grab the ammo off my dresser  
I'm shakin', I start to tremble, for Jack Me Nimble  
My mind starts crashin' like a symbol, and I'm in limbo  
To calm me down I think I better count to ten  
But I only made it to nine, I did a Flatline

Flatline, Flatline, Flatline, Flatline, Flatline, Flatline, Flatline
