

Funny MF

Esham

Hoo hoo!

Ah, you motherfuckers should be doing standup right about now

You know what I mean?

Guess what

Ha ha! You's a funny motherfucker

You's a funny motherfucker

Ha ha ha ha! You's a funny motherfucker

You's a funny motherfucker

Ha ha ha ha! (Ah! Bitch!) You's a funny motherfucker

You's a funny motherfucker

Ha ha ha ha! You's a funny motherfucker

You's a funny motherfucker

You's a funny motherfucker, I forgot to laugh

When I cracked your head in half

You's a funny motherfucker, I forgot to smirk

When you got murked and put your body in the dirt

You's a funny motherfucker, I forgot to giggle

When I stabbed yo bitch in the titty nipple

Funny motherfucker, I forgot the punchline

When I cooked your head like lunchtime

Funny motherfucker, without no jokes

You's a funny motherfucker when you got smoked

Funny motherfucker, yeah, we get it

You's a funny motherfucker when I spit it

You's a funny motherfucker, like a faggot

When I put you in the ground with the maggots

You's a funny motherfucker talkin' 'bout Mariah

You so funny when I set you on fire

You's a funny motherfucker bouncin' 'round tryin' to put it out

All you funny motherfuckers need to cut it out

Ha ha ha ha, my repertoire

Murdering fools on the regular

Ha ha ha ha, your head's in a jar

The rest of your body's in the trunk of my car

Ha ha! You's a funny motherfucker

You's a funny motherfucker

Ha ha ha ha! You's a funny motherfucker

You's a funny motherfucker

Ha ha ha ha! You's a funny motherfucker

You's a funny motherfucker

Ha ha ha ha! You's a funny motherfucker

You's a funny motherfucker

You's a funny motherfucker when you came out a coma

Dead bodies got a funny aroma

You's a funny motherfucker but don't nobody get it

Talkin' 'bout you let your stepfather hit it

You's a funny motherfucker sayin' you got molested

Funny motherfucker the question

Funny motherfucker, but where's the humor?

'Cause they sayin' you gay is the rumor

Funny motherfucker talkin' 'bout your mama

Funny ass motherfuckers always drama

Funny motherfuckers with tight pants

Funny motherfuckers always got a funny dance
Doing that stupid-ass stupid-ass shit
Yeah it'd be funny when you die, bitch
Die
