

## Get a Room

Esham

Let's get a room, just me and you  
Party for two, all this for you  
Let's get a room, let's get a room  
Just me and you  
Party for two, all this for you  
Let's get a room

Let's get a room, sex you assume  
It's a full moon, and I'm zoom (zoom, zoom, zoom, zoom, zoom)  
What you be on, fifth of Patrón  
And you'll be home alone, I'm comin' through (through, through,  
through, through)  
Wear somethin' tight, put it on right  
Tonight is the night, we gon' be alright, and we cool (cool)

Let's get a room, just me and you  
Party for two, all this for you  
Let's get a room, let's get a room  
Just me and you  
Party for two, all this for you  
Let's get a room

Let's get a room, let's get a suite  
We'll rendezvous, where should we meet  
I got the banana, you bring the peach  
Breakfast in bed, under the sheets  
Let's get a room, right on the beach  
Watch the sun set, kick sand wit' our feets  
Let's get a room, copy capiche  
Lovin' this view of you, let's get a room, yeah  
On my word, privacy please  
Do not disturb, let's get a room  
You just got served, [?]  
What you wearin', girl, you got nerve  
Let's get a room, love your perfume  
And the poon poon, checkout is at noon  
Let's get a room, just me and you

Let's get a room, just me and you  
Party for two, all this for you  
Let's get a room, let's get a room  
Just me and you  
Party for two, all this for you  
Let's get a room
