

# I Aint Cha Homey

Esham

Clowns are committed to making the world a better place.  
Decapitation doesn't fit into that category.

So you guys take this clown stuff seriously?  
Are you always in makeup?

Hmm... As much as possible.  
It's part of being a clown.  
It's like a second skin.  
What's the appeal, what makes someone want to be a clown

That's easy... make people happy  
It's like being an actor.  
You get to put on a mask and be someone else all day long.  
Get to forget about your problems.  
And hopefully help other people forget about theirs

But surely you can't wear a smile all the time

Don't call me Shirley

I mean don't you ever have days when you get angry?

Angry or homicidal?  
Is this really an expose or do you wanna find out if I put on a killer face  
and collect heads for fun?  
What do you really wanna ask?

Well, why don't we start with...

Who's the real Homey the Clown?

HAH! Aha ha haha... Just a guy that wants to put on a mask and make the world a better place

Naw, I ain't ya homey  
And you don't know me  
All that right there for you? Yeah you owe me  
Cuz I got a smile painted upside down  
It's a frown  
Bitch, how you like me now  
The very first wicked clown  
I gets down  
I stand when I piss  
While you sits down  
Cocksucker motherfucker eat a dick up  
The wicket shit I'm takin back this a stick up  
I got another trick up my sleeve Homey's back you in disbelief  
I run this, did this, done this a hundred times or more put your brains on the floor  
Every body wanna be me no need for improvement

We'll have a moment for silence for Michael Jackson

Not sayin' I did it  
I even got niggers in Kansas with the tech n9ne spit  
Whole world turned wicked as much as I kick it

Can't pay the rent with my style so you getting evicted  
Naw, I ain't ya homey  
I ain't ya homey  
Naw, I ain't ya homey  
I ain't ya homey  
Naw, I ain't ya fam  
Hit you with the boom, pow, and the bam  
You know who I am... homey the clown
