

Juggalos 4 Jesus

Esham

Dear Heavenly Father
We pray, as we are in the Devil's house
We are in the Devil's parking lot
We pray You will surround us with angels
And protect us, Lord, please
We are exposed to all sorts of demons
In this sort of atmosphere
With the Satan worshippers known as Juggalos
We pray they will not be able to touch us
Everybody's got their faces painted all scary
And then you can feel some demons swarming around
Hey, fellas, you mind if I say a quick prayer with you?

Fuck the reverend, 187, 187
Fuck the reverend, 187, 187
Fuck the reverend, 187, 187
Fuck the reverend, 187, so motherfuck it

Motherfuck the reverend, huh, 187, huh
Ain't no witnesses around 'cause I killed them all
Yuh, thought you knew it was a ritual
Yuh, kill a bitch and it's habitual
Do I listen? No, asking for permission, no
Huh, I'm just staying with the mission now
Yuh, I'm just sticking to the plan
With a hatchet in my hand, motherfuckers come up missing now

Fuck the reverend, 187, 187
Fuck the reverend, 187, 187
Fuck the reverend, 187, 187
Fuck the reverend, 187, so motherfuck it

Creepin' out your speaker, huh, I'm a creature, huh
No Wu-Tang, but I kill a preacher, huh
I mean kill a priest and a motherfuckin' deacon, huh
Yuh, left the body in the bleachers, huh
Left school 'cause I almost killed the teacher, huh
Met the Devil and I told him nice to meet ya, huh
Got excited, he could tell the Devil's eager, huh
Think you're hot until I lock you in the freezer, huh

Fuck the reverend, 187, 187
Fuck the reverend, 187, 187
Fuck the reverend, 187, 187
Fuck the reverend, 187, so motherfuck it
Fuck the reverend, 187, 187
Fuck the reverend, 187, 187
Fuck the reverend, 187, 187
Fuck the reverend, 187, so motherfuck it

Dear Heavenly Father
We wanna thank You, Lord
For sending Your angels to protect us tonight
We went into the Devil's house and the Devil's parking lot
And we risked our lives for the sake of teaching Your word
We thank you that we have not been hurt
We have not been touched

We pray You will burn the Juggalos here tonight
We pray each and every one of them
That laughed at me, that made fun of me
That mocked me as I pray to You
We pray they will receive the due punishment
They will not be in Heaven, Lord
Thank You for that
We do not wanna spend eternity with these people, Lord
We pray the Juggalos
That when they are burning in Hell
That they will be tormented with the regret, eternal regret
Thank You for answering this prayer
In Jesus name we pray
Amen
Thank You for answering this prayer
In Jesus name we pray
Amen
