

Let It Snow

Esham

Here I am, there you go
Girl, let it snow, let it snow
Let's get blurred in the world so cold
Girl, let it snow, let it snow
Here I am, there you go
Girl, let it snow, let it snow
Let's get blurred in the world so cold
Girl, let it snow, let it snow
Here I am, there you go
Girl, let it snow, let it snow
Let's get blurred in the world so cold
Girl, let it snow, let it snow, let it snow

Turn me on, turn me off
I see my breath, it looks like frost
I was found, and now I'm lost
Dead across pay any cost
Pay the price, roll the dice
To live this life I sacrificed
Everything, every level
El Diablo, the Devil
Said to do it, made me do it
Now I flow like acid fluid
Acid rap this acid music

Let it snow
Let it snow, let it snow, let it, let it, let it snow
Let it snow
It's snowin'
Baby, ah, it's cold outside

My nose is runny, I got money to blow (Let it blow)
I'm snow blowin' steady shovelin' snow
Y'all live fast but die young though (Frosty the Snowman)
If I gotta get old, I get more
Chest nuts roastin' on the open fire
Jack Frost nippin' at your nose
I only rock with girls ready and willin'
Let it snow (Put that on the rocks for me, girl, [?])

Here I am, there you go
Girl, let it snow, let it snow (Let it snow)
Let's get blurred in the world so cold
Girl, let it snow, let it snow (Let it snow)
Here I am, there you go
Girl, let it snow, let it snow (Let it snow)
Let's get blurred in the world so cold
Girl, let it snow, let it snow (Let it snow)
Here I am, there you go
Girl, let it snow, let it snow (Let it snow)
Let's get blurred in the world so cold
Girl, let it snow, let it snow (Let it snow)
Let it snow
Let it snow
