Esham

Yo, the mad, the mad, the mad, the mad  
The mad, mad, the mad, the mad

The mad scientist fucking with your brain again  
In my laboratory, man, I done went insane again  
Purple kush mixed with some C-4  
Blueberry, I done made a Seymour  
My plant just growin'  
Feed it antifreeze and gasoline, it start glowin'

Then one night, when I was watering it  
It started talking to me  
I need some blood, I need some blood  
Bring me a bitch on her period, I don't give a fuck  
I need some blood so I can bud  
I need some blood

So I found me a hooker on 7 Mile on Woodward  
Threw her in the wood chipper like she was some woodwork  
Ground her up into little pieces  
Then I fed her to my Venus Flytrap, now it's a murder rap
