

## Off Duty

Esham

You have reached the 911 police emergency line. Due to defunding of the police department, we're sorry, but no one is here to take your call. If you're calling to report a rape, please press 1. To report a murder, press 2. To report a home invasion, press 3. For all other crimes, leave your name and number and someone will get back to you. Our estimated wait time is currently five days. Goodbye.

Erection election protection got you asking questions  
Keep a Smith & Wesson 'cause the cops ain't comin's what I'm guessing  
Since a adolescent everybody that I know is stressing  
Can't breathe if you sneeze they might squeeze on you bless 'em  
Suck my erection election tell me who's your protecting  
I'm the gunning on wanted one hunting me in my section  
All these bullets projecting 'cause I can't get an infection  
Wicket worldwide connections from my paper collecting  
No microchips stick my hand in the fire burn my fingerprints  
Like Michael Jackson propofol fentanyl OD like Prince  
My style's hostile kill your local pedophile  
You been convicted of a sex crime put down that phone right now

You the dumbest motherfucker with a smartphone I ever seen  
The dumbest motherfucker with a smartphone  
You the dumbest motherfucker with a smartphone I ever seen  
The dumbest motherfucker with a smartphone

The government spent all your bucks, they turn you down and then turn up  
You could fall into the fire all they care don't give a fuck  
The whole world is a toilet full of shit I know it suck  
And you running outta tissue fast with yo ass luck
