

Power of Love

Esham

When the power of love overcomes the love of power
When the power of love overcomes the love of power
When the power of love overcomes the love of power
When the power of love overcomes the love of power

Once upon a time, there was a kid named Love
Raised in Detroit East side dirty glove
Worked real hard, didn't sell no drugs
Didn't gang bang, didn't hang with thugs
Everywhere he went, people happy to see him
Always on time in the AM or PM
Your baby daddy mad 'cause I'm riding his BM
She want the golden age so golden showers I'm peeing
The golden boy the chosen boy
I'm back from the dead I've arosen, boy
Boy, boy, boy, you too sad though
Slap a bitch, don't make me mad ho
Once upon a time, there was a kid named Power
When he show up, suckers cower
Thunderstorms let bullets shower
Then give yo ass some dead flowers
Don't make me slap you, ho
Don't make me slap you, ho
Don't make me slap you, ho
Don't make me slap you, slap you
Power, fuck that Mussolini
Money coming fast like a Lamborghini
Who you think you fucking with?
Throw your ass off a cliff
Power, take everything I conquer
Murder motherfuckers, I'm a motherfucking monster
You wanna go to war? You don't want war
You wanna go to war? You don't want war

When the power of love overcomes the love of power
When the power of love overcomes the love of power
When the power of love overcomes the love of power
When the power of love overcomes the love of power

I'm love, you'll never take me alive
I'll always survive
I'm power, I'll never give it up
You can die, I wouldn't give a fuck
