Esham

No love! No love!  
No love! No love!

Father, I'm a sinner, a wicked sinner, somethin' sinister  
A super sinner over here, just like in your mirror  
Backstabbin', thievin', cheatin', drinkin', ootin'  
Scammin' and schemin', murder plannin' and executin'  
Fuck a Rasputin, he'll catch an ass bootin'  
I'm out here sinister sinnin', what the fuck he doin'?  
I'll take a wooden cross, carve the tip into a [pivot?]  
So when I get to Hell, I can stab the Devil with it

No love! None! No love! Fuck off!  
I'm the sinister super sinner, the sinister super sinner  
No love! None! No love! Fuck you!  
I'm the sinister super sinner

I'll snatch a blind man's walking stick and use it to crack him in the face  
Force feed diehard vegans bloody ham hocks and steaks  
I'm a romance scammin' fraud porch pirate artist  
And I'm fuckin' your wife twice a week, my side piece  
And I'm cheatin' on that bitch, thievin' though I'm mad rich  
Stealin' from the poor to buy meth rocks and whores  
I've been super sinister sinnin' since the beginnin'  
Fuck a minister and his sister's opinion, open your mouth, bitch

No love! None! No love! Fuck off!  
I'm the sinister super sinner, the sinister super sinner  
No love! None! No love! Fuck you!  
I'm the sinister super sinner, sinnin's what I'm born to do

Father, I'm a sinner, when you leave, I enter  
I'm the guy that fucks your wife and eats your dinner  
Holy water boils when I'm near it, my own spirit I fear it  
Skinnin' old ladies alive, scalp they wig off and wear it  
I eat that chupacabra roadkill for dinner  
'Cause I'm the super duper ill psycho super sinner  
Catch this sinnin'-ass superstar blazin' on the front page sinnin'  
Flippin' birds, starin' at you, grinnin'

No love! None! No love! Fuck off!  
I'm the sinister super sinner, the sinister super sinner  
No love! None! No love! Fuck you!  
I'm the sinister super sinner 'cause sinnin's what I'm born to do  
No love! None! No love! Fuck off!  
I'm the sinister super sinner, the sinister super sinner  
No love! None! No love! Fuck you!  
I'm the sinister super sinner 'cause sinnin's what I'm born to do
