

Smiley Faces

Esham

Uh, hip hop, yo yo, yo yo, 313, oh

I open up my eyes to a beautiful day
Not a cloud in the sky, it's all blue and not gray
I'm speaking on love, is it true what they say?
Do you honor and obey? Do you do what they say?
Well if you do, cool for you, you know the rules
But listen up and learn as I take you to school
Because love is pain, without pain, no gain
So think about this the next time it rain, those

Smiley faces when you're sad (Smiley faces)
Smiley face make us glad (Smiley faces)
You should take the time and laugh (Smiley faces) (Hip hop)
Smiley faces all we have

I, I check my style sometimes, I just smile sometimes
Take my family to the beach, enjoy the sunshine
Sit back, I'm sippin' on some piña coladas
Watchin' my daughters have fun in the waters
I'm happy, so happy
Don't worry, just be happy
Even if your hair is short and nappy
And you can't get it done until you see your pappy

Smiley faces when you're sad (Smiley faces) (Hip hop)
Smiley face make us glad (Smiley faces)
You should take the time and laugh (Smiley faces)
Smiley faces all we have (Check this out, yo yo, uh, uh)

Can you tell me if you smell me?
If you do, just S-M-I-L-E
Tell me what you know about them droes
Money is the key to end all your woes
I know just like you know
But you gotta live life and take it slow
Be happy, be happy
Don't worry, just be happy
Be happy, be happy
Don't worry, just be happy

Smiley faces when you're sad (Smiley faces) (Hip hop)
Smiley face make us glad (Smiley faces)
You should take the time and laugh (Smiley faces)
Smiley faces all we have

Yo, smile
It's free to smile
You
