

Sub Zero

Esham

So cold, so cold, so cold, it's so cold, it's so cold
It's so cold, it's so cold, it's so cold, without you
I cannot go to sleep without dreamin' 'bout you
I cannot wake up without thinkin' 'bout you
I'm slowly goin' insane, sinkin', it's true, I knew
I'm icy icy blue, I'm icy icy blue
I'm icy icy blue, ay, ay, ay, ay, ay, ay

You took my love letters and ripped 'em in pieces
Told me to go to Hell, you gonna see Jesus
I watch you walk away, the water start freezin'
This that season, I'm icy icy blue

I'm cold, cold, cold, cold, cold
I'm so cold, cold, cold, cold, cold
I'm so cold

You turned me to a villain, killin' me so you rose
My heart is ice cold now, they call it sub zero
I used to be so high, but now I'm so below
Let me know, if you feel icy icy blue like me

So cold, so cold, so cold, it's so cold, it's so cold
It's so cold, it's so cold, it's so cold, without you
I cannot go to sleep without dreamin' 'bout you
I cannot wake up without thinkin' 'bout you
I'm slowly goin' insane, sinkin', it's true, I knew
I'm icy icy blue, I'm icy icy blue
I'm icy icy blue, ay, ay, ay, ay, ay, ay
