

# Watch Me Do My Dance

Esham

Sick

You know what I'm talking about?

I'm with bro [?], I'm with [?], I'm with [?]  
Not the Ku Klux Klan, but I hang 'em  
Don't be talking that shit about me, I'm connected  
All around worldwide, highly respected  
Bullet's in the chamber ready to eject it  
It's a price on your head, and I'm ready to collect it  
They say I wake the dead, when I spit I resurrect it  
Once my weapon is selected, I squeeze the trigger hectic  
I'm a Soopa Villain, motherfuck your feelings  
Dollars stacked up to the ceiling  
Every day I'm illing killing blood spilling  
And I'm ready and willing to drill 'em first time I glance on 'em  
You don't stand a chance, now watch me do my dance on 'em

Watch me do my dance on 'em  
Watch me do my dance on 'em  
Watch me do my dance on 'em  
Watch me do my dance on 'em

Watch me do my dance, the blicky's in my pants  
Yeah I kill [?] busting down him and his mans  
Keep on dancing on your grave, dance all night like it's a rave  
Come through like a tsunami, wipe out your little wave  
Peter Piper picked a pepper, dance on him 'cause he a snitch  
First I did the Rambisco then broke out to the Jit  
Girl I'm too legit to quit, spent two thousand on this fit  
Do a spin like Michael Jackson, grab my nuts, she did my splits  
With my wrist just like this, [?] she cooked me fish and chips  
With dip, too much drip

Watch me do my dance on 'em  
Watch me do my dance on 'em  
Watch me do my dance on 'em  
Watch me do my dance on 'em

They gon' watch me, they can't stop me  
I got clones and carbon copies  
They can mock me, they can jock me  
But don't ever ever rock me  
They too sloppy like some toppey  
From your mommy, I'm your poppey  
I was dancing all in Detroit all the way to Abu Dhabi  
Did my dance on the police, then I left 'em in the street  
Diamonds dancing on her chain, she was dancing to the beat  
Catch me dancing in the cold, I be dancing with my heat  
Got 'em dancing in they cars, got 'em dancing in they seat  
Never dancing with the stars 'cause I'll dance yo ass to sleep

Watch me do my dance on 'em  
Watch me do my dance on 'em  
Watch me do my dance on 'em  
Watch me do my dance on 'em
