

Monsieur Moustache

Electric Callboy

Backbeats on saturday
Whiskey instead of toothpaste
Tonight would be so awesome
Tonight would be so awesome
Cocain lies like snow on my moustache
Party milfstyle now with Pam's comeback
Gay like a funky track
Gay like a homofag

Wo-ho-ho, wo-ho-ho
I drive drunken in my car
I have to fuck her hard
On dirty backseasts in Mom's car

Wo-ho-ho, wo-ho-ho
It can't be real
Rub her clit, cumshot tits
On dirty backseasts in Mom's car
On dirty backseasts in Mom's car

Have a lot of partys
We're gonna step out of line
We are gangsterfied
Like black guys
Rubberducky clusterfuck
Rubberducky clusterfuck

Let's get this party started
Get the feelings right
Take a picture, I just wanna have sex tonight
Let's get this party started
Get the feelings right
Take a picture, I just wanna have sex tonight
