

Gave It All Away

Eskimo Joe

1, 2, 3, 4

So long,
Was it the prettiest face that you know
And hold on,
Is it real? Is it real when you don't even know,
What you feel
Oh no, woah-o, woah-o

Well, I took the pity
The pity from your pocket
This is real, this is real
And nothing's gonna stop it, oh no

You gave it all away
Your light fades out like another day
You gave it all away

How long?
And is there anything else I should know

Well I took the pity
The pity from your pocket
This is real, this is real
And nothing's gonna stop it, oh no

You gave it all away
Your light fades out like another day
You gave it all away
Your light fades out like another day
You gave it all away
Oh no, woah-o, woah-o

Well I took the pity,
The pity from your pocket
This is real, this is real
And nothing's gonna stop it, oh no

You gave it all away
Your light fades out like another day
You gave it all away
Your light fades out like another day
You gave it all away
Oh no, woah-o, woah-o

Oh no, woah-o, woah-o
